for El Paso and vicinity. I want an El Paso man to handle one of the two most popular, medium priced, six cylinder cars on the market. There is a large number of these cars in and near El Paso. Service and parts for them would mean a big asset to start with. A live dealer should sell 150 of these cars a year. Very little capital will be required. If you are interested kindly address your communications to the advertiser, JACK O'CONNEL, care DEL NORTE HOTEL, who will be at this address Thursday, April the 24th.
